**NAME THAT CANDY BAR GAME**

This side-splitting candy-themed game is a fantastic Halloween party choice! Each 'gravestone' has a partial epitaph in rhyme. The final line of each is completed by the name of a candy bar. Simply write in your guess to complete each gravestone.

**HINT:** most of the solutions complete a rhyming couplet, so try to think of candy bars that rhyme with part of the verse.

<p>1</p> <p>These ones cut up by the name here in burial</p>	<p>2</p> <p>He was all Oo, what a He never buried here buried</p>	<p>3</p> <p>Silly girl Let her finger over a chocolate made by King</p>
<p>4</p> <p>She loved roast jelly Did Maureen Wipe Sugar like Bacon is</p>	<p>5</p> <p>Jerry Fave Halloween The best was fun at 7:30 It was late and and and</p>	<p>6</p> <p>Chocolate brown the name wasn't When we made the green and big</p>
